

## Relocation Notice of MX34R20HF4T and MX34R32HF4T

JAE will be moving the manufacturing of MX34R20HF4T and MX34R32HF4T from a manufacturing facility in Japan to Oregon. The facility in Oregon has received new duplicate machines, and parts will continue to be manufactured in Japan until the changeover is complete and all PPAPs are approved.

There will be no changes to design, form, fit or function. There will be no disruption to current product shipments.

**For existing customers who require any special documentation such as PPAP, please contact your JAE account representative by April 10, 2020.**

If you have any questions regarding this matter, please contact your JAE account manager.

Thank you for your cooperation.
