

HE1G Series Product Discontinuation

For IDEC Authorized Distributors only – Not for external circulation

1. Discontinued models

IDEC would like to inform you that HE1G Series Grip Switches will be discontinued effective immediately. Orders will be accepted until March 31, 2022. After that, remaining stock will be limited as first come first serve basis until stock is depleted.

2. Replacement models

HE1G-L Series is the suggested replacement for HE1G. For replacement part numbers, see the Cross Reference below.

Products to be discontinued	Replacements
HE1G-20MB	HE1G-L20MB
HE1G-20MB-1N	HE1G-L20MB-1N
HE1G-20ME	HE1G-L20ME
HE1G-20ME-1N	HE1G-L20ME-1N
HE1G-21SM	HE1G-L21SM
HE1G-21SM-1N	HE1G-L21SM-1N
HE1G-21SMB	HE1G-L21SMB
HE1G-21SMB-1N	HE1G-L21SMB-1N

Note: accessories will remain available

3. Replacement details

Same with HE1G grip switches, HE1G-L grip switches are also available with or without a built-in Emergency Stop switch, and were designed for use as deadman switches by second operators in robotic cells.

The OFF-ON-OFF functionality provides a high level of safety based on human behavioral studies which determine personnel may squeeze OR let go when presented with a panic situation.

Compare to the discontinued HE1G, the HE1G-L has lighter operating force to ON position.
